Traffic impacted by colorization of bike lanes on Hardy Street

LĪHU'E – The public is advised that the colorization of bike lanes on Hardy Street will require the closure of lanes, intersections and entryways on an as needed basis.

The work will take place from Feb. 29 to March 2, 7 a.m. to 4:30 p.m., weather permitting.

Allowances will be made to minimize the impact of the project on The Kaua'i Bus and during peak school traffic in the mornings and afternoons.

Motorists should seek alternate routes, follow all traffic control signs, and allow extra time to get to their destinations.

Anyone with questions can call Earthworks Pacific at (808) 246-8808.
